

Domiciliary Care

Our Domiciliary Care Agency has been established since 2006

Our office is located within the heart of St. George's Park village

It provides a professional service to those who require assistance with their own home

All staff are DBS checked before commencing their employment

All our staff are fully trained

Care Staff are covered on their car insurance for business use so they can provide an escort service off site

The Agency is registered with the Care Quality Commission
